

Universitat Rovira i Virgili (URV)

VISION 2026

Location, Tarragona

- ❑ Tarragona is a Mediterranean city in northeastern Spain where a rich Roman heritage and a dynamic industrial and port ecosystem coexist, making it a unique hub of history, energy, and economic activity.

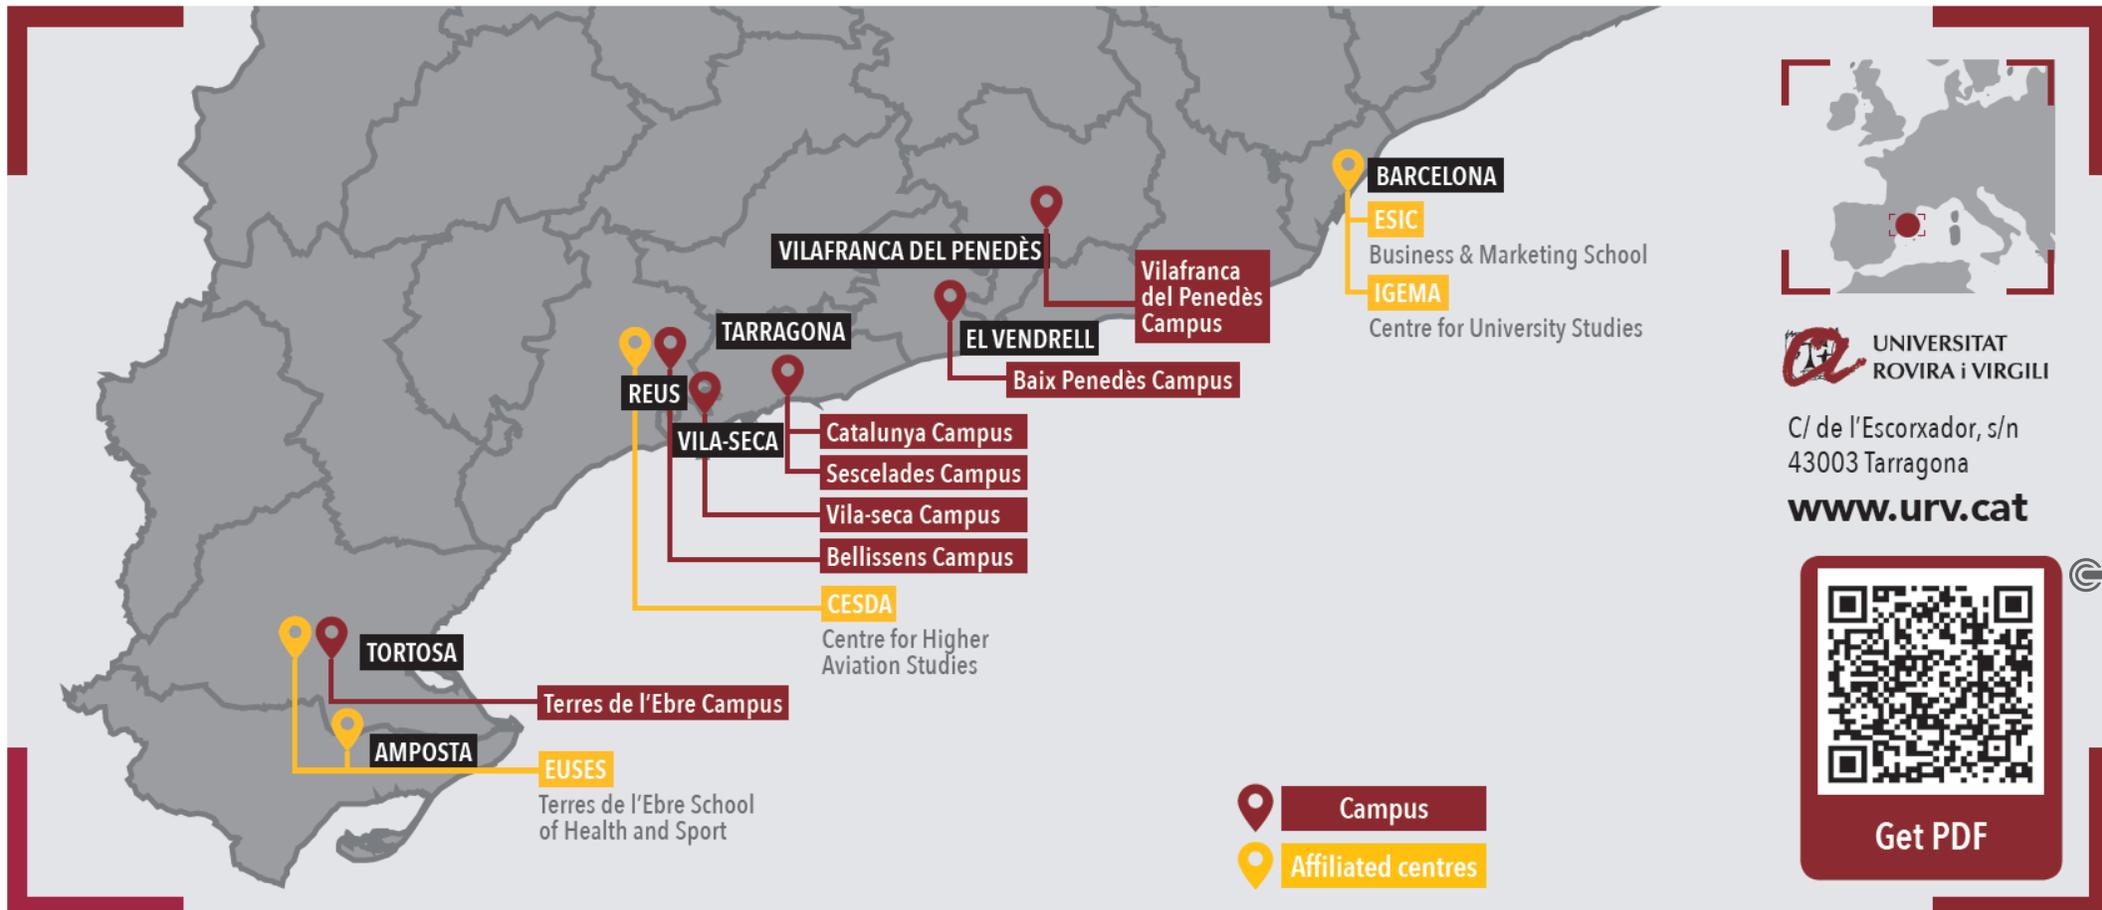

- ❑ Central core located in Tarragona (south Catalonia, Spain)

Universitat Rovira i Virgili (URV)

- The Universitat Rovira i Virgili (URV) is a public research-intensive university located in Tarragona, Spain, recognized for its strong international engagement and strategic focus on energy transition, sustainability, and chemical engineering, but also on other items, such as cultural heritage, social, economic or medical sciences.
